

# Leadership Evolution

Discover new ways to lead change

Connect, collaborate, and learn from other leaders – all while transforming your ability to guide your teams through complexity, change and organizational culture.

## Participants will have the opportunity to:

- Gain insights into current health care trends to better support Optum and your team
- Network and collaborate with peer mentors to support and learn from each other
- Create and communicate your own compelling leadership vision to enable change
- Develop a comprehensive communication plan using provided frameworks and templates
- Apply change management best practices and tools to your experiment

---

Time	Duration	Format
2 hours per week	6 weeks	Online: live sessions + supporting coursework

---

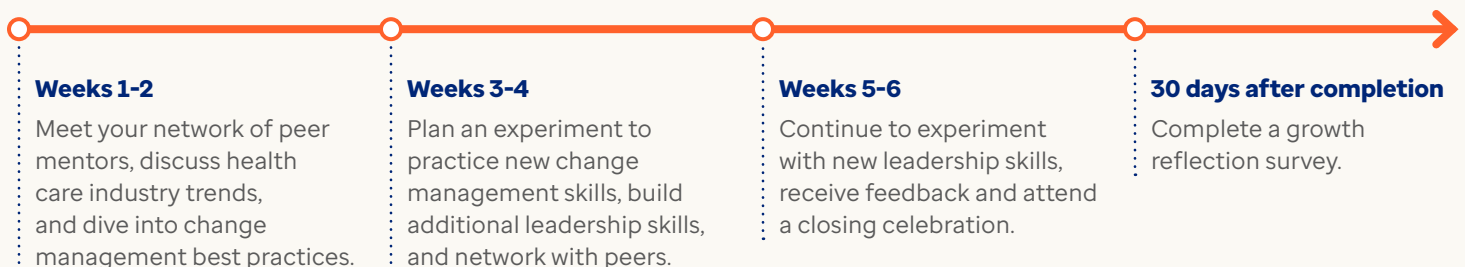

## Intended audience

Directors, senior directors or regional managers; or leaders in UHG salary grade 28, 29 or 30 (or equivalent)
